

## The Mall School

### Curriculum Guide

#### Geography – Spring Term 2020

##### Year 5

Teachers: Mr Martyn Miller, Mr Christian English and Mr James Fair  
Lessons: 3 lessons (approximately 40 minutes each)  
Homework: No homework issued

##### Introduction:

The geography curriculum is a spiral curriculum in which the boys will revisit topics and build on their knowledge and understanding of various geographical topics.

##### Key Objectives:

- Understand the various sources of energy and power which we use, including fossil fuels and green energy.
- Understand the environmental impacts of the various sources of energy and power.
- Understand how energy can be produced and used sustainably
- Know the location of the world's rainforests
- Understand rainforest ecosystems
- Understand the benefits of rainforests
- Understand reasons for deforestation
- Understand the consequences, both locally and globally, of deforestation
- Know the location of the world's major river systems
- Know the location of the world's oceans and major seas
- Know what is meant by the terms latitude and longitude, and identify the main lines of latitude and longitude.

##### Resources:

All boys must bring the following equipment to all lessons:

Handwriting pen (blue), Pencil, Rubber, Pencil Sharpener, 30cm Ruler, Colouring Pencils, Highlighter Pens, Glue Stick.

A variety of resources are used in lessons and there is no Geography text book for Year 5.
