Introduction:

The French syllabus introduces new grammar and vocabulary but builds on the foundation of work covered in Year 3 and the Autumn Term.

Key objectives

- To engage our students and communicate our passion for French and modern languages in general.
- To unlock the full potential of our students' ability to speak and write French.
- To promote a love of speaking a foreign language through entertaining and engaging teaching techniques.
- To prepare our students to the highest possible standard in order for them to face examinations with confidence.
- To introduce our students to the culture, geography and history of France, Britain's nearest neighbours.
- To encourage independent learning, using dictionaries and the Internet for research.

These key objectives will be covered alongside others in the units of work in each term. The topic areas and grammar for the Spring Term are as follows:

- Classroom equipment
- School subjects and opinions.
- Telling the time (hours only).
- School timetable.
- Hobbies and opinions.
- Weekend activities.
- Easter.

All boys must bring the following equipment to all lessons: blue pen, pencil, rubber, pencil sharpener, ruler, colouring pencils and glue sticks.
