After school activity clubs

Club	Operator	Year Group	Description
Chess	Richmond Junior Chess	Year 2-6	This club offers all children the chance to master and develop their game, with a structured mixture of teaching and playing, including the opportunity to play in tournaments and achieve
Web Building	Jam Coding	Year 3-6	This Web and App Design workshop will show children how to design and create their own website. Working in teams, our web developers will have fun planning and constructing an engaging website and app based on a topic that they are interested in. Turn your imagination
Multi – Skills	Brentford FC Community Sports Trust	Rec-Year 2	The Brentford FC Football in the Community Programme, established in 1987, was amongst the pioneering programmes aimed at engaging football clubs with their communities. Over the 9 weeks we are going to explore different skills link to our fundamental movements. We will look at throwing Catching, Jumping, running and many more.
Cooking	KiddyCook	Rec-Year 3	Fun, inspiration and education is what Kiddy Cook is all about, the team are passionate about teaching children and young people how to have fun with food. Whilst we all have different definitions of healthy, Kiddy Cook aims to use only the 'good stuff! All of the recipes Kiddy Cook choose to prepare with the children taste fantastic and most are good for us, importantly every one of them makes us feel good after we've eaten it!
Dodgeball	Brentford FC Community Sports Trust	Years 3-4	The Brentford FC Football in the Community Programme, established in 1987, was amongst the pioneering programmes aimed at engaging football clubs with their communities. Dodgeball is an exciting, fast-paced small sided game. One of the Brentford FC Community Sports Trust UEFA B Licenced dodgeball coaches will deliver dodgeball specific session that aim to improve the fundamental techniques, skills and tactics required to play the game.
Judo/Karate	Bu'sen	Judo Years Year 1-6 Karate years 4-6	Giving children the opportunity to learn judo under the guidance of Bu'sen judo school, the Anglo Japanese is the oldest Judo and Martial Arts Association in the UK, founded by Kaoru Mishiku Sensei in 1929. Mishiku Sensei was a master of Judo, Ju-jitsu and Kendo, and a graduate of the Sekai Butokukai, which was the premier Martial Arts University of Japan. The form of Judo practised by our club is Kyo Shin Do, which is not merely a style of Judo, but a philosophy, laying
Music Technology	M:tech	Years 3-6	The M:Tech course provides a unique opportunity for children to participate in creative composition by combining traditional music theory with the latest creative technologies.
Swimming	Patterson Penguins	Years R-4	Learning to swim with Patterson's Penguins is fun for all ages and swimming abilities and a great way of getting fit and healthy.
Game Design	Jam Coding	Year 3-6	GAME DESIGN! Do you enjoy playing games? Why not use your gaming experience to develop your unique game? This course will take you through all the steps that real game developers use to create games. Design characters, add backgrounds, use code to develop your unique 2D game using game development software.
Diddy Dance	DiddyDance	Years R-2	Funky dance classes for children under 8. Join us for action songs, props & different dance themes from around the world. Learn new skills & dances to demonstrate at the end of term.
Art Rays	Kiddycook	Years R-2	Art and crafts club centred on turning a variety of recycled materials into beautiful objects. This club will develop children's artistic talents and stimulate their creativity as well as develop their fine motor skills, promote their patience and determination, and teach them problem-solving strategies. We'll be weaving, sewing, using clay, painting, drawing, sticking, cutting and lots more while having fun.
Lego Club	Sports Focus Coaching	Rec-Year 2	This club gives children a safe environment in which to design, test and build, using Lego bricks. Our custom designed challenges use Lego bricks to develop childrens knowledge through play.
Roblox	Computer Xplorers	Year 4-6	Students will learn to design their first game using Roblox Studio. Our tutors encourage students to power their imagination and explore the possibilities. The sessions begin with your child setting up a project with Roblox Studio. They will then design an obstacle course filled with moving platforms and hazards. When your child is familiar with projects, our tutors will introduce them to programming concepts which are also applicable to other programming languages.
Touch Typing	Computer Xplorers	Year 4-6	Touch Typing is a style of typing and is all about the idea that each finger has its own area on the keyboard. Practice regularly and your fingers will learn their location on the keyboard through muscle memory. In this club you will learn to type faster, increase your accuracy and improve your posture in a fun and exciting way. Come and join the Touch Typing club
