**After school activity clubs**

Club	Operator	Year Group	Description
Chess	Richmond Junior Chess	Year 2-6	This club offers all children the chance to master and develop their game, with a structured mixture of teaching and playing, including the opportunity to play in tournaments and achieve
Minecraft Hackers	Jam Coding	Year 3-6	Is your child ready to take their Minecraft experience to the next level? In our Minecraft Hackers workshop, children learn how to harness the power of text commands to become fire resistant, teleport, create potions and intricate chain reactions using command blocks and pressure plates. Working in teams, children will have fun whilst improving their computational thinking skills to enhance their gaming experience! At the end of the course, all children will receive a
Multi - Skills	Brentford FC Community Sports Trust	Rec-Year 2	The Brentford FC Football in the Community Programme, established in 1987, was amongst the pioneering programmes aimed at engaging football clubs with their communities. Over the 9 weeks we are going to explore different skills link to our fundamental movements. We will look at throwing, Catching, Jumping, running and many more.
Cooking	KiddyCook	Rec-Year 3	Fun, inspiration and education is what Kiddy Cook is all about, the team are passionate about teaching children and young people how to have fun with food. Whilst we all have different definitions of healthy, Kiddy Cook aims to use only the 'good stuff! All of the recipes Kiddy Cook choose to prepare with the children taste fantastic and most are good for us, importantly every one of them makes us feel good after we've eaten it!
Bench Ball	Brentford FC Community Sports Trust	Years 3-6	Bench ball is a passing and catching game, similar to netball. The aim of the game is to get all the opposing team members out by hitting them with a foam ball below their waist.
Fencing	Premier Education	Year 4-6	Premier Education's coaches have all received high quality training to teach fencing to primary school children. As one of our more unique sports, fencing is a great way to build focus, accuracy and lightning-fast reflexes.
Multi - Sports	Premier Education	Years 3-6	Premier Education Multi-Sport introduces children a wide variety of sports, including basketball, football and tennis to name just a few. It's a huge, exciting session with more sports than you can kick a ball at.
Judo/Karate	Bu'sen	Judo Years Year 1-6 Karate years 4-6	Giving children the opportunity to learn judo under the guidance of Bu'sen judo school, the Anglo Japanese is the oldest Judo and Martial Arts Association in the UK, founded by Kaoru Mishiku Sensei in 1929. Mishiku Sensei was a master of Judo, Ju-jitsu and Kendo, and a graduate of the Sekai Butokukai, which was the premier Martial Arts University of Japan. The form of Judo practised by our club is Kyo Shin Do, which is not merely a style of Judo, but a philosophy, laying
Music Technology	M:tech	Years 3-6	The M:Tech course provides a unique opportunity for children to participate in creative composition by combining traditional music theory with the latest creative technologies.
Swimming	Patterson Penguins	Years R-4	Learning to swim with Patterson's Penguins is fun for all ages and swimming abilities and a great way of getting fit and healthy.
Diddy Dance	DiddyDance	Years R-2	Funky dance classes for children under 8. Join us for action songs, props & different dance themes from around the world. Learn new skills & dances to demonstrate at the end of term.
Art Rays	Kiddycook	Years R-2	Art and crafts club centred on turning a variety of recycled materials into beautiful objects. This club will develop children's artistic talents and stimulate their creativity as well as develop their fine motor skills, promote their patience and determination, and teach them problem-solving strategies. We'll be weaving, sewing, using clay, painting, drawing, sticking, cutting and lots more whilst having fun.
Lego Club	Sports Focus Coaching	Rec-Year 2	This club gives children a safe environment in which to design, test and build, using Lego bricks. Our custom designed challenges use Lego bricks to develop childrens knowledge through play.
Roblox Club	Computer Xplorers	Year 4-6	Students will learn to design their first game using Roblox Studio. Our tutors encourage students to power their imagination and explore the possibilities. The sessions begin with your child setting up a project with Roblox Studio. They will then design an obstacle course filled with moving platforms and hazards. When your child is familiar with projects, our tutors will introduce them to programming concepts which can be used to teach them programming languages.
Touch Typing	Computer Xplorers	Year 4-6	Touch Typing is a style of typing and is all about the idea that each finger has its own area on the keyboard. Practice regularly and your fingers will learn their location on the keyboard through muscle memory. In this club you will learn to type faster, increase your accuracy and improve your posture in a fun and exciting way. Come and join the Touch Typing club.
