Please ensure you have this code to hand if your child is attending the breakfast club. The intercom will not be manned and the only way to access the breakfast club will be to enter this gate code.
- We ask to ensure site security you do not share this entry code with any person not connected with The Mall School.

Siblings:

- Families with an eldest child in Years 3 to 6 (Seniors) may take their younger child to the before school club in the Art Room from 8.00am free of charge. Children in Reception–Year 2 will be taken to the playground at 8.25 where a teacher is on duty prior to registration.
- Although we do not require parents to book an early sibling drop-off in advance, we do ask that the children are accompanied by an adult to the Art Room so we can be sure they are registered, and we know which children are on site in case of an emergency.
- These arrangements do not include breakfast club which runs from 7.30am–8.00am for which there would still be a charge.
- Families with youngest children in the Juniors can send their child into the after-school club until the older finishes school free of charge where they will be given a snack. There is no need to book this in advance.
- These arrangements do not include any after school care provision after 4.00pm for example a younger child remaining in after school club while an older brother attends a club. For this, there would still be a charge.

If anyone other than yourself will be collecting your child (either on an ad-hoc or regular basis) please notify Reception 020 8977 2523

reception@themallschool.org.uk in advance so relevant staff can be advised.
